Cape Santa

Our Santa in the Park event was delayed a week due to rain, but we still had a great turn out from Cape Story and Ft. Story. Thanks to Dan Peters, our MC, for finding a large tent, and to those who helped out with set-up and take down. The cool, damp weather could not dampen the spirits of our attendees!

Hot apple cider, freshly grilled hamburgers and hot dogs were generously donated by Teri Doddy, Shaffer Realty. Over 50 new toys were donated to the Toys for Tots campaign. D'arcy and Quinn Weiss provided activities for the kids while they waited for Santa, and DJ Bo Bradshaw kept the tunes going. Photography was provided by Matt Angelo.

Many thanks to event organizers and volunteers Diana Albis, Brian Cooper, Chris and Teri Doddy, Shirley Drye, Mark Moore, Brad Peters, Mark Moore, Empsy Munden, Kurt Neitzke, Todd Solomon, Ginnie and Tracy Stover, and Marck Weiss, who all donated their time to make this event a success.

OOPS!

Jessica Glynn Winters Photography was inadvertently omitted from our list of Oyster Roast sponsors in the Winter 2013 article. We apologize for the error!

SPCA Donations

Friends,

I met a volunteer from the SPCA on Thanksgiving and asked for items that they are constantly in need of. Here are items that we may be throwing away or getting rid of. I will have a container on my front porch (2219 Bayberry Street) for SPCA donations and plan on making routine drop-offs to our local shelter. Anything and everything will help our furry friends with a better life!

Thanks for all you do for our community!!

Lesner Bridge Replacement to Start April/May 2014

The start date of the Capital Improvement Project (CIP) 2.168 for the replacement of the Lesner Bridge has been delayed until April/May of 2014. City Project Manager, Chris Wojtowicz gave a presentation to the SDCC on Jan. 24th. Here are a couple of the highlights: Project length about 30 months; No pedestrian crossing while old bridges are being removed and new eastbound span is constructed; Shore Drive improvement project east of Lesner bridge has been postponed until after Bridge replacement; Temporary bulkhead removal is part of contract; Boat traffic will not be restricted during construction; New bridge will have 10+ feet additional height clearance under it for boats. Chris can be contacted at 385-5785 or CWojtowi@vbgov.com.

New FEMA Flood Zone Maps May Impact Your Insurance Rates

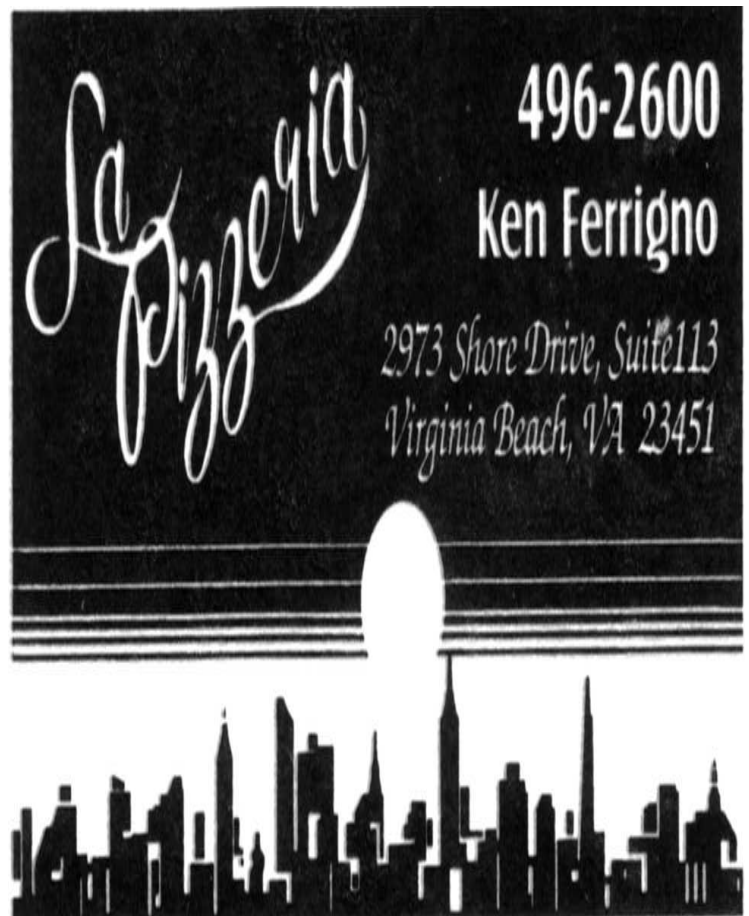

The Federal Emergency Management Agency (FEMA) recently completed a Flood Insurance Study (FIS) report, which will bring about changes to the Flood Insurance Rate Maps (FIRMs) for Virginia Beach. FIRMs establish Special Flood Hazard Areas (SFHAs), flood risk zones and flood elevations. This data is used to set flood insurance rates, identify where flood insurance is required as a

condition of a federally insured mortgage, and for flood-plain management and building regulations.

FEMA has provided an interactive, online tool that enables you to see your current and new preliminary flood hazard zone. Information on the tool and maps can be found at www.sdcc.info. Some of the homes in Cape Story may have been removed from high risk flood zones and others may have been added to them. FEMA has established a 90-day comment/appeal period for Virginia Beach's preliminary flood maps. This 90-day period began Feb. 5 and will run through May 5, 2014.

Virginia Senate Bill SB209 – Riparian Rights for Landowners in Sand Replenishment Projects

Sen. McWaters and Del. Stolle presented bills to restore riparian/littoral rights to beachfront landowners that have had sand deposited for public beach replenishment projects. The results of this bill will not prohibit future beach/sand replenishment projects or change the public right of use currently in existence on the site. For more information visit www.sdcc.info

Santa Pub Crawl

You never know who you might run into around our neighborhood. Although Sunday Dec, 8th was damp and cool, a crew of naughty Santas and elves decided it was a good day to take a break from toy making duties, and hang out on Shore Drive for the afternoon. They even brought their own mobile canopy to ward off the raindrops as they traveled from place to place! Donations were collected and contributed to the Cape Story Holiday Giving project.

Parks and Recreation Adopt-A-Program- Successful Clean-up February 15th!

Mother Nature finally cooperated just long enough on February 15th to allow a group of volunteers to head out and remove the trash from key areas around our neighborhood. For those new to the area, the CSBTS Civic League participates in the city's Adopt-a-Program for trash pick-up along local highways, parks and trails. This includes Shore Drive, the Cape Story Neighborhood Park and the multi-use path that cuts through the area from Cape Henry Shores to Cape Henry shopping center.

In spite of the ominous clouds overhead, one neighborhood couple, Alan Steel and Marcia Thorp, graciously joined the usual crew in their clean-up efforts: Shirley Drye, Empsy Munden, Todd Solomon, Dee Simpson, Ginnie and Tracy Stover and Diana Albis.

Before the rain came, we collected 68 pounds of garbage (yes, we weigh it), primarily from the ditch and surrounding area on the path to the shopping center. We found an unusually high number of discarded doggie bags in and around the ditch this go-round, and collected the typical cache of paper, plastic, cigarette butts, bottles and other paraphernalia tossed from passing cars along Shore Drive. The park itself, though, was surprisingly clean- thank you Cape Story neighbors!

Additional volunteers of all ages are always welcome- it only takes about an hour to make a big difference. Stay tuned for the next clean-up announcement!

Neighborhood Watch

With nice weather approaching and everyone getting out to walk, play at the park, ride bikes, etc., this is a reminder to please **pick up after your pets**. Parents do not want their little guys walking in poop at the park playground or on the bike trail. Also, a condom was seen at the bottom of the slide. This is probably not from a pet!!! Where are these people coming from?

Please remember to call 911 if you see a crime in action and call 385-5000, option 1, to report crimes after they have occurred or to report any suspicious activity. Also, please call or email the NW Coordinator so crime reports and suspicious activities can be shared with all of our residents.
