## Cape Story's 15th Annual Spring Fling

After having to postpone once for rain, the weather was beautiful for our 15<sup>th</sup> annual Spring Fling. About 100 children and parents enjoyed food and fun. In fact, we ate 140 hamburgers and 100 hot dogs during the three hour event. DJ Dave from **Astro DJs** kept the party shaking with rockin' tunes and games. Miss Kitty from **Bobby the Clown Agency** was kept very busy making great balloon animals and painting unique designs on many smiling faces. Snow cones and popcorn were graciously provided by **LYNN HUME, RE/MAX Allegiance**. Residents also enjoyed chips, salads and drinks courtesy of the Cape Story by the Sea Civic Association. Yummy desserts, salads and fruit were also brought and shared by neighbors. Many kids and parents got wet competing in the water balloon toss and tested their strength at the tug-o-war. Parents even got into the festivities by competing in the sack race. Winners of the events were rewarded with gift certificates to AMC and Regal theatres.

Event winners were:

- Kids Sack Race – Jordan Weiner
- Adults Sack Race – Steve Fisher & Sean LaCroix - Tie
- Hula Hoop – Meredith Bugg-1<sup>st</sup> Place; Chris Peters-2<sup>nd</sup> Place
- Water Balloon Toss #1– Mason Solomon & Jason Wang
- Water Balloon Toss #2 – Jordan Weiner & Patrick Smith
- Basket Ball Free Throw (9yr and under) – Chris Peters-1<sup>st</sup> Place; Sophia Fisher-2<sup>nd</sup> Place
- Basket Ball Free Throw (10yr and up) – Mason Solomon

### **Additional Spring Fling Thank You!!!**

Thanks to Chris Doddy and Don Lawson keeping up with the hungry crowds by cooking up the burgers and dogs. A special thanks goes to the many volunteers: Teri Doddy, Jenifer & Kyra Solomon, Empsy Munden, Billy Tetlak, Alex Groover, Quinn Wiess, Sara Lant and John & Lorraine Anderson for set-up, serving and clean-up.

## 4th of July Events

### Cape Story's 50<sup>th</sup> Annual 4th of July Parade/Brunch & Fireworks!!!

Thursday July 4<sup>th</sup>

Parade 10am – Noon @ Cape Story Neighborhood & Park

Fireworks – 9:20pm @ Cape Story Beach

(Rain Date for Fireworks is Friday July 5<sup>th</sup>)

#### PARADE THEME – “*Fabulous 50*”

The amazing Cape Story parade, like the City of Virginia Beach, is celebrating its 50<sup>th</sup> anniversary with a “Fabulous 50” theme. Bring your old photos to share, dress up in a past parade costume, create a generational float of all the family members that have participated over the years. Let’s make this a grand celebration.

This year’s parade and brunch will take place from 10:00 am to 12:00 pm (noon) on Thursday July 4<sup>th</sup>. The parade route will start on Beech at the bike path, proceed down Beech to Poinciana, follow Poinciana to Bayberry, turn left on Bayberry and end in the neighborhood park. All bike riders, floats and marchers need to line up for the parade between 9:30am - 9:45am. Please be careful spilling out onto Shore Drive. If you have to, line your float up in Food Lion’s parking lot and we will work you into the parade as it starts moving.

As in past years, trophies will be given for Most Original, Most Patriotic and Best Theme. The parade will be followed by a brunch in the park. There will also be biscuits, doughnuts, fruit and patriotic tunes.

As she has done in years past, an ice cream truck will also be provided courtesy of **LYNN HUME, RE/MAX Allegiance**.

This year’s fireworks show will be presented by the local Virginia Beach company, VA Pyro. The display will consist of 625 shells and will be launched around 9:20 pm on Thursday July 4<sup>th</sup> from the beach at First Landing State park. The rain date will be Friday July 5<sup>th</sup> at the same time. If it looks like rain, please check your emails and [www.capestory.org](http://www.capestory.org) for updates. *Please remember - Storage, handling and use of fireworks without a permit from the Fire Marshal's Office is a violation of City ordinance 12-43.2 and is a Class 1 Misdemeanor. # Park Beautification/Adoption

## Adopt-a-Spot Clean-up a Success - May 11<sup>th</sup>

Despite Florida-like storms throughout the day, including one that passed through 10 minutes before the scheduled start-time, the neighborhood clean up on May 11<sup>th</sup> was a success!

We actually had some additional help this go-round! Thanks to the encouragement of one of our CSBTS neighbors, Christi Lyons, several students from Great Neck Middle came to the park specifically for the clean-up, including Luke F., Mark S., Erin S., Ariya S. and Mark S.

A Military family who lives down Shore Drive had also heard of the clean-up and came by to assist- Teresa R. brought her two children Eric and Deanna, who eagerly grabbed a bag, a vest and a set of "grabbers", and searched for litter along the bike path toward Cape Henry Shores. We also had a father and son whose names we didn't catch, who were visiting the area and offered to trim back dead branches and weeds for us while they were visiting the park!

A core group of volunteers once again arrived to bravely dodge cars on Shore Drive and hit the other areas not covered, including Empsy Munden, Todd Sullivan, Dave Brayack, Jeannie Winters and co-sponsors Shirley Drye and Diana Albis. Chloe and Zoe Obara of CSBTS also volunteered their time, scouring the route to Food Lion, which always seems to collect an assortment of debris!

The May 11 clean-up was timed to ensure a clean (and pine-cone free) park for the 2013 Spring Fling, which was held May 26<sup>th</sup>.

The next clean-up is planned for Saturday morning, June 29<sup>th</sup>-details pending. This one will be in preparation for the CSBTS July 4<sup>th</sup> parade and party. If you're in town, we can always use more volunteers!

*For those who are new to the area, the CSBTS Civic League is an official participant in the City of Virginia Beach Adopt-a-Program. We sponsor periodic clean-ups along Shore Drive and the bike path/ditch area between Beech and Kendall streets, as well as the Neighborhood Park. With lots of helping hands, it takes only about an hour of time to make these areas a cleaner, safer environment for all of us!*

## Storm Water Improvements – Large Scale Shore Drive & Neighborhood Project Being Planned

In June, the City's Public Works Department will be presenting the study for a massive \$80+ million project between the Lesner Bridge and First Landing State Park. This project will include several large pump stations that will discharge water through pipes into the Chesapeake Bay. Some property may be identified for condemnation or acquisition. Check out [www.sdcc.info](http://www.sdcc.info) for scheduled presentation dates.

## 2016 looks to be a difficult year on Shore Drive (Lesner Bridge Replacement and Safety Improvements between State Park and Bridge)

Capital Improvement Project (CIP) 2.168 for the replacement of the Lesner Bridge is set to begin construction January 2014. The project will take an estimated 3 years to complete December 2016. A new 4 lane wide span will be built north of the existing bridges. Then the four travel lanes of traffic will be routed to this new span while the old bridges are removed. The new eastbound bridge will then be built.

CIP 2.117 to improve Shore Drive safety and beautification between the Lesner Bridge and First Landing State Park is scheduled to take place between June 2015 and April 2017. So yes, 2016 will be a difficult year on Shore Drive.

## Lynnhaven River Now and City of Virginia Beach team up to build Oyster Aquaculture Site

Lynnhaven River Now and the City will be building an oyster aquaculture facility on Broad Bay Island. The facility will be located on City property between the North Great Neck bridge spans. The facility will create spat on shell that will be used by LRNOW and sold to oyster farmers for use in the Lynnhaven River. All monies made from this operation will go back into maintaining the facility. The area will contain several grow tanks, a small office, a boat ramp and dock and will be nicely landscaped with a fence surrounding the site.

# Clean the Bay Day

Team Cape Story, led by Captain Jessica Winters and our Civic Association President Empsy Munden, did an outstanding job Saturday, June 1<sup>st</sup> for the annual "Clean the Bay Day". Many neighborhood volunteers came out to scour the Cape Story beaches and bike trail for garbage. We were able to remove over 80 pounds of trash in less than 2 hours! Thanks so much to everyone for helping out!

# Neighborhood Watch

Neighborhood Watch is a program that has been implemented in Cape Story by the Sea to prevent crime. The program is simple – it involves neighborhood concern and awareness, along with police cooperation. The concept is for residents to be alert to suspicious activity and report **anything** unusual to the police.

We work closely with the Crime Prevention Unit of the Virginia Beach Police Department. They provide guidelines for the Program to be successful. Some of these include home inspections for suggestions such as improved lighting and landscaping improvements to eliminate hiding places for would-be criminals. Anyone can request a home inspection by calling 385-1757.

Another feature of Neighborhood Watch is our email communication system. There are currently over 600 residents in our neighborhood who receive important messages regarding crime that has occurred and alerts of suspicious activities. This email list needs constant updating due to residents relocating.

In the coming months, there will be an effort to complete an update. This involves "Block Captains" visiting their neighbors to invite them to be a Neighborhood Watch member and be added to the email list.

Volunteers are needed to become Block Captains for approximately 10-15 residences each. If you are willing to help with this important update, please call the Neighborhood Watch Coordinator, Regina Wallace, at 496-6458 or email neighborhoodwatch1@cox.net.

Please remember to call 911 if you see a crime in action and call 385-5000, option 1, to report crimes after they have occurred or to report any suspicious activity. Also, please call or email the NW Coordinator so crime reports and suspicious activities can be shared with our community.
