Cape Story's 16th Annual Spring Fling

For the first time in 8 years, our neighborhood Spring Fling wasn't postponed due to the weather! Over 150 Cape Story by the Sea residents were treated to a beautiful spring day for the party. 120 hamburgers, 110 hot dogs, 10 pounds of potato salad and cole slaw were consumed during the three hour event.

DJ's JJ and Mad Molly from **Astro DJs** kept the party moving with great tunes and fun games. So much fun, we even ruined a couple of the potato sacks in a heated sack race. Miss Kitty from **Bobby the Clown Agency** was kept very busy making great balloon animals and painting some amazing full face masterpieces on many a smiling child.

Snow cones and popcorn were graciously provided by **LYNN HUME, RE/ MAX Allegiance**. Residents also enjoyed chips, salads and drinks courtesy of the Cape Story by the Sea Civic Association. Yummy desserts, salads and fruit were also brought and shared by neighbors.

Once again, the contest competition was fierce. Many kids and parents got a face or chest full of water competing in the water balloon toss. The sack race had to be determined by a photo finish and the hula hoop contest resulted in a 3 way tie. Winners of the events were rewarded with gift certificates to Regal Cinema.

Event winners were:

- Hula Hoop – Kelly Sullivan, Callan Barboza, Everett Bugg - 1st Place Tie
- Kids Sack Race – Spencer Green
- Water Balloon Toss #1– Bradon & Liz Lyons
- Water Balloon Toss #2 – Chloe Bourgeois & Addy Lyon
- Basket Ball Free Throw (9yr and under) – Hayden German (4 of 5)
- Basket Ball Free Throw (10yr and up) – Jason Wang (7 of 10)

Additional Spring Fling Thank You!!!

Thanks to Chris Doddy and Don Lawson for keeping up with the hungry crowds by cooking up the burgers & dogs. A special thanks goes to the many volunteers, Teri Doddy, Jenifer Solomon, Empsy Munden, John & Lorraine Anderson, Tracy & Ginne Stover, Mason Solomon and Jason Wang for set-up, serving and clean-up.

SPCA Donations

Friends,

I met a volunteer from the SPCA on Thanksgiving and asked for items that they are constantly in need of. Here are items that we may be throwing away or getting rid of. I will have a container on my front porch (2219 Bayberry Street) for SPCA donations and plan on making routine drop-offs to our local shelter. Anything and everything will help our furry friends with a better life!

Thanks for all you do for our community!!

Shore Drive Neighborhood Parking Study and Parking Regulations

City Traffic Engineer, Mike Shahsiah, spoke to the Cape Story by the Sea Civic Association at their April general meeting. Mr. Shahsiah explained that the study was being conducted at the request of the Bayfront Advisory Committee. The study's purpose is to find more parking spots north of Shore Drive between the Lesner Bridge and the State Park. Illegal "No Parking" signs will be identified and removed. Existing areas designated as no parking by the City will be reevaluated for possible removal. It was also noted that parking is NOT allowed anywhere along Shore Drive. Call the police non-emergency number 385-5000 to report illegal parking. It was also mentioned that off-street parking is allowed along all streets in Cape Story by the Sea and Lynnhaven Colony. All four tires must be off the roadway to be considered off-street.

Cape Henry Beach Sand Replenishment

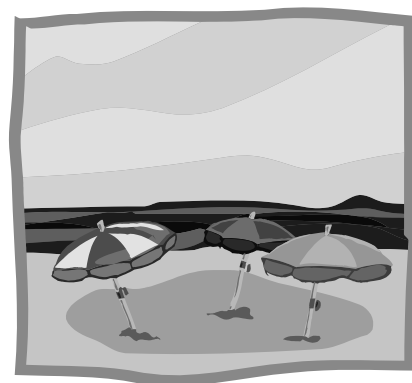

Sand from the Lynnhaven Inlet Boat Ramp spoils area will be placed on the Cape Henry beach starting at Kendall Street and west toward the Lynnhaven Fishing Pier. The project should be completed by the end of June and will not be worked on the weekends. The trucks will access the beach at Oak Street. Any problems or complaints should be directed to the project manager, Mr. Phill Roehrs at 385-8985.

Chesapeake Bay Foundation Brock Environmental Center

<http://www.cbf.org/how-we-save-the-bay/programs-initiatives/brock-environmental-center>

The Center is scheduled to open late Fall 2014. The Chesapeake Bay Foundation is building the Brock Environmental Center to engage, inform, and inspire generations about the environment and how we can all help *Save the Bay*TM. The Center, located at Pleasure House Point in Virginia Beach, Virginia, will be an innovative example of environmentally sensitive and sustainable building—the first in Virginia to embrace a net-zero energy and net-zero water approach—and advance CBF's efforts to defend one of the nation's most valuable and threatened natural resources, the Chesapeake Bay. The Brock Environmental Center will meet the strictest environmental standards in accordance with the Living Building ChallengeTM. The building's footprint will use less than an acre of CBF's 10-acre parcel, a very small percentage of the total area of Pleasure House Point.

The Brock Environmental Center will be CBF's regional home for its award-winning environmental education programs, which provide experiences for 2,500 students and teachers across Hampton Roads each year. The Center will also provide space for other local conservation partners, including Lynnhaven River NOW, and for community meetings and conservation trainings.

Another Successful Park/Trail Clean-Up!

On Saturday, May 10th, fourteen Cape Story volunteers gathered at the park to participate in the adopt-a-spot clean-up, sponsored by the City of Virginia Beach. Although participants focus on three areas - the park, the trail and Shore Drive, the goal this day was to make sure the park itself was clean and pine-cone free (as much as possible) for the following weekend's Spring Fling!

The group collected a total of almost 100 pounds of trash and yard waste- much of this attributed to water-weight from the ditch headed toward Food Lion.

Many thanks to those who participated, including: Sean and Chloe Bourgeois, Jase and Seth Rakowski, Cindy, Sienna and Troy Gallup, Sandi and Brad Peters, Winston Bibee, Jeannie Winters, Dee Simpson, Shirley Drye and Diana Albis.

Neighborhood Watch

During the past few months, there were several car break-ins in the vicinity of Ocean Shore Ave. and on May 11 several cars on Maple St. and Sandalwood Dr. had items taken. In most cases the cars were left unlocked; however, a few actually had windows broken to gain entry. One person was arrested in April and another in May. Please remember to keep your car doors locked and do not leave anything in them.

If you are a victim of any crime, please call the police. In the above incidences, they recovered property and could not locate the owners because police reports had not been filed. It is also important to report all crimes to increase police patrolling in our area.

If you are not receiving emails about crimes in Cape Story by the Sea, please contact Neighborhood Watch to be added to the mailing list.

Please remember to call 911 if you see a crime in action and call 385-5000, option 1, to report crimes after they have occurred or to report any suspicious activity. Also, please call or email the NW Coordinator so crime reports and suspicious activities can be shared with all of our residents.
