## 33rd Annual Oyster Roast

"The Best Three Hours in November"! This year's Oyster Roast certainly did live up to the slogan on the T-shirts, which were designed by Cape Story resident **Barbie Sherrill**. Fresh oysters, barbeque, chowder, hamburgers, dogs and sides kept the crowd fed, while music from **The Bartones** entertained the partygoers and volunteers. Thanks to everyone who pitched in to set up, cook, clean and serve. Special mention and thanks go to **Bob Spears** for heading up the volunteer team and keeping things on track, **Bill House** for coordinating door prizes, **Chris Mathews** for cooking the pork, **Tom Stewart** for the oyster steamer, **Mac MaConathy** and **Mark Virgili** for ordering food and supplies, and **David Albis** for coordinating ticket sales.

### And Now, A Word From our Sponsors...

It takes more than oysters to make a great party. Please support these vendors and door prize sponsors who help make our Oyster Roast great!

# President's Report

Dear Cape Story by the Sea Residents,

WHAT AN OYSTER ROAST! - Good time had by all-the band, the food, the t-shirts, the door prizes, the friends and oh, yes, the OYSTERS.

A BIG THANK YOU to ALL who helped out and supported this Cape Story by the Sea Fund Raising Event, which in turn supports our neighborhood activities for the year and allows CSBTS to give to others.

I can't tell you enough times how AWESOME your Cape Story by the Sea (CSBTS) Officers and Street Captains and Committee chairs and Oyster Roast Planners and CSBTS members are who step up to champion the causes and the events of this neighborhood. WELL DONE.

Take a moment to say THANK YOU to these neighborhood heroes (many of their names are listed throughout the SkipJack) and congratulate yourself too if you are a MEMBER. The 2011 membership drive is OFF to a GREAT start with sign ups at the Oyster Roast. Did you know CSBTS neighbors hosted a chili cook off to support a local shelter? And CSBTS supports Pleasure House Point funding for open space? And Block parties to get to know neighbors and support charitable causes continue?

Because of the OUTSTANDING events and projects Cape Story by the Sea has arranged and supported over the years, when I speak with Virginia Beach City officials, they recognize CSBTS for the rational and due diligent effort already done before we seek assistance from City sources.

CSBTS has reconnected with the Joint Expeditionary Base (JEB) east campus (Ft. Story) neighbors to support military families and extended invitations to our military neighbors to attend our Santa in the Park, Spring Fling and 4<sup>th</sup> of July events.

Elections are over. We are the COLONY precinct in Virginia Beach (there are 161 precincts) and you saw CSBTS members as poll workers when you voted Nov. 2<sup>nd</sup>. "ALL politics Is Local" and if you Google your favorite party - GOP, DEM, TEA, Fair Tax, GOOH you can find local listings if you would like to attend local meetings and get involved. Presidents of Civic Associations can see their community causes happen

quickly ( repaving of walkways on Shore Drive, 35 mph speed, clearing on trees/brush on bike path) when we take issues up with City Council. With State and Federal elected offices, local community issues are broader and causes take longer to realize, but because of you, CSBTS has established credible connections with the representatives.

Please CONTINUE to CALL 385-1470 (Public Works) to REPORT all Storm Water Damage. Continue to comment and voice your concerns to Virginia Beach City Council, use [citycncl@vbgov.com](mailto:citycncl@vbgov.com) to reach ALL city council members and city manager.

If you are not getting CSBTS email from [emunden@aol.com](mailto:emunden@aol.com) (me) please give me a call or email.

Christmas Lights and Sprit, Santa in the Park and Stumbling & Mumbling carolers are tuning up and the holiday giving to our families is starting NOW (FOUR big families- AMAZE Yourselves again with what you can do).

Thank you for All you do for the community and each other. Keep on being the GREAT Neighbors You Are.

CSBTS elections are coming in March 2011. Please let me know if YOU want to become more involved in YOUR community.

I CONTINUE TO ENJOY THE HONOR AND PRIVILEGE of BEING CSBTS "PREZ" and Shucking and Eating oysters.

Thank You! Empsy

# Military Update

Greetings Cape Story by the Sea Civic League Members,

It has been a while since I provided input to your newsletter. I apologize for my absence, but I would like to update you on a few items.

As you are aware, on October 1, 2009, the former Naval Amphibious Base Little Creek and Army Garrison Command Fort Story were transformed to become Joint Expeditionary Base Little Creek-Fort Story (JEBLCFS) as part of the congressionally mandated Joint Basing process. In this instance, Navy was the lead agent and assumed overall management of both installations. Since that time, we have been conducting reviews of our processes and procedures to ensure we are aligned with current Department of Defense and Navy regional policies. In the next newsletter, I will have further updates on where we are in this process.

In March of this year, Navy Captain Charles Stuppard assumed duties as Commander, Joint Expeditionary Base Little Creek-Fort Story. Since that time, he has been actively engaged in meeting all the resident commanders, local city officials and congressional representatives. His schedule stays quite full, but he looks forward to meeting you all at a future meeting to be scheduled after the first of the year.

On October 20, Lieutenant Colonel Thomas Netzel assumed duties as the Deputy Commander for JEBLCFS. He took over from Lt. Col. Jayne Jansen who is now

working on the development of the Navy and Army's new high speed vessels. She was also selected for promotion to Colonel. We congratulate her and thank her for her leadership and support during our Joint Basing process.

As a great neighbor, we can't go without thanking all of you again for your grateful support to our military personnel and their families. Your generosity and outpouring of appreciation to our service members are very much appreciated.

The holidays are quickly approaching. We hope you all have a safe and joyous time. On December 3, we will conduct the annual Grand Illumination of the Old Cape Henry Lighthouse. Santa Clause will also make a special appearance riding in on a fire truck. Please e-mail me at [m\\_cni\\_nablc\\_pao@navy.mil](mailto:m_cni_nablc_pao@navy.mil) if you would like to attend.

As always, we at Joint Expeditionary Base Little Creek-Fort Story look forward to maintaining our positive relationship. Please feel free to contact me if you have any questions about JEBLCFS. Thank you for your continued support of our service members and their families.

Sincerely,

Scott Mohr

## **Community Survey of Speed Limit Reduction on Shore Drive from Great Neck to Pleasure House**

In an effort to allow community input to be part of the City's speed limit reduction evaluation planned for the end of this year, SDCC has created an evaluation survey. The City has hired an engineering consultant to perform an evaluation study of the speed limit reduction. Results of this evaluation will be presented to City Council in a report scheduled for December 2010 or January 2011. The consultant's evaluation doesn't plan to take into account public input or dialogue. The SDCC survey will help to capture your opinions. SDCC will collect and submit all survey results, so please take the time to fill in the "other" or "comment" boxes.

Visit [www.sdcc.info](http://www.sdcc.info) or the following direct link to take the survey <http://www.surveymonkey.com/s/QCL6RTP>

## **Lesner Bridge Concrete Repairs to Finish by Jan/Feb 2011**

**Public Works Operations** is close to finishing repairs to the concrete beams on the Lesner Bridge. The repairs addressed aging patches of concrete and helped slow corrosion to extend the performance of the current bridge until the replacement bridge project can be funded.

The City's contractor will be on site until January/February 2011. Until then, repairs will continue to be performed from equipment both below the bridge and from the roadway, which will require some lane closures. If you have any questions or would like further information, please contact **Phillip Koetter** in **Public Works Operations** at 385-1470 or [pkoetter@vb.gov](mailto:pkoetter@vb.gov).

## **Pleasure House Point**

Through a partnership with **Trust for Public Land**, the **Chesapeake Bay Foundation**, the **City of Virginia Beach** and the local community, the largest undeveloped parcel of land on the Lynnhaven River (122 acres) may be preserved instead of converted to high density development. The Trust for Public Land has initiated a plan to purchase the property and sell parcels to the Chesapeake Bay Foundation, the City of Virginia Beach and a yet to be determined commercial developer. Citizens and community groups have rallied in an effort to raise \$4M, so the entire property may be preserved as natural area, rather than having a portion commercially developed. The goal of this community-led campaign is to supplement the funds already committed for the purpose of acquiring the Pleasure House Point property for the people of the City of Virginia Beach, to increase the proposed municipal park and natural habitat preserve. The Virginia Beach Parks and Recreation Foundation has agreed to participate as the designated 501(c) (3) organization.

Hi Guys and Gals,

## The Midnight Christmas Present

Not so very long ago, in the store-room at Howard's Hardware, there lived a Mama Cat and her brood, consisting of three very precocious kittens. One early morning as Howard's wife Martha was opening the store, one of the kittens who had been exploring around the hardware store slipped past Martha and several incoming customers. She made it all the way down the stairs and into the Christmas tree lot. Can you just imagine her delight when she saw all of those trees to climb? In one fell swoop, up a tree she went, to the very top. Hidden by all of the branches, no one knew the secret the tree held. It was just then that Timmy and Marcie, the Wilson children, shrieked with delight,

"We found it! This is the one! It's beautiful! Come quick, Dad!"

It had long been the tradition of the Wilson family to get their tree from Howard's. Mr. Wilson agreed that it was a fine tree, and the decision was made. As Mr. Wilson hoisted the tree into the pickup truck, no one had any idea what was in store, and the poor little startled kitten didn't know what to do. She was too scared! She hung on to the tree for dear life with her tiny paws.

The long ride down the bumpy road added to the kitten's fright, but she held on with all her might. At last the ride home was over, and the pickup came to a stop in front of the Wilson's farm house. Mr. Wilson took the tree from the back of the truck and gave it a good shake to loosen up the branches, but still the kitten held strong to the top and didn't make a sound.

The children ran on ahead to tell their mom that they had found the most beautiful Christmas tree, and to come and see. Mr. Wilson carried the tree into the living room and placed it in the big front window. "Irene, this is a very special tree", he said, and they both hugged and smiled gazing at the 8' tall balsam tree. Mom went back into the kitchen to check on her cookies in the oven. Dad and the children followed her, hoping to sample some of her homemade holiday treats, and warm up with some hot cocoa.

It was just then that Timmy and Marcie, the Wilson children, shrieked with delight,

"We found it! This is the one. It's beautiful! Come quick, Dad!"

Just then Timmy thought he heard a funny noise in the living room. Everyone stopped to listen, but they heard nothing. Later during dinner Marcie thought she heard a noise in the living room too, and asked to be excused to go and investigate. She didn't hear the noise again and soon forgot about it.

After the dinner dishes were done Dad fetched the big box of tree lights from the attic and began testing bulbs, before stringing the tree with the lights. It was getting late, and Mom insisted that the children get ready for bed. She promised that right after breakfast the next morning they would all decorate the tree. "And I get to put the star on the top," said Timmy, "Right?"

"Yes, dear now go brush your teeth and climb into bed" Mom said.

Irene and Phil were just turning in themselves when they heard a crashing noise coming from downstairs. In fact it made such a commotion that even the children were awakened, and everyone went rushing downstairs. Rubbing their sleepy eyes, the children couldn't believe what they were seeing, and had to do a double-take to be sure.

"Where on earth did that come from?" Dad asked. Lying in the box of tree lights, looking dazed and confused, was a tiny jet black kitten with blue eyes and a small tip of white fur on its tail.

"Mew, mew, mew!" the kitten cried, and Marcie picked her up to comfort her. There was a broken branch at the top of the Christmas tree and some tell-tale balsam needles stuck to the kitten's fur. "It looks like she just might have been hiding in the tree" Dad said. Mom said "Phil, you were right this is a special tree", and everyone laughed.

"Can we keep her?"

"Well first things first. I'll call Mr. Howard in the morning when the store opens, and we'll see." said Dad. Mom went to get a big wicker laundry basket and a towel to put the kitten in for the night. "What can we call her?" Timmy asked. Just then the old grandfather clock in the hallway chimed: one, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve!

"How about Midnight?" Mom said with a chuckle, and the children loved it. "It's perfect! She's beautiful and black and she is our Midnight Christmas present." said Marcie.

Early the next morning while the rest of the house was still fast asleep after their Midnight surprise, Dad called George Howard. They both had a good laugh over the kitten's adventurous story and decided that it was a Christmas story that they would tell for years to come. It was decided that Midnight was home; after all she had worked so hard to get there!

Hope you enjoyed the tale of Midnight, and a Happy Holiday to All!

See you around the neighborhood~

## 4th Annual Chili Cook-off Fundraiser to Benefit H.E.R

On Sunday, October 24, Cape Story resident, Royce Ambrose and co-host Stacey Goforth, held the 4th annual chili cook-off fundraiser to benefit Help and Emergency Response (H.E.R.) Shelter. The Shelter provides services for women and children who are victims of domestic violence.

The Cook-off raised over \$2,200 for the non-profit H.E.R. Shelter. Several Cape Story residents were winners! Congrats to Jenn Poole for 1st place chili, Terry and Sonja Neilson for 2nd place Chili and Jason Brackley for 3rd place chili. Cornbread winners were 1st place Terry and Sonja Neilson, 2nd place Wendy Ward of Pirates Cove Restaurant, and 3rd place Dick Brothers. Special thanks to Shorebreak Pizza and Billiards for donating pizzas to go along with the Chili, cornbread, hot dogs, beer, wine and desserts.

Royce and Stacey are members of the Board of H.E.R. and would like to thank the many volunteers for their help in making the event a success.

If you have any interest in supporting this worthy cause next year or are interested in learning more about the Shelter and its services, feel free to contact Royce Ambrose @ [royceambrose@cox.net](mailto:royceambrose@cox.net) or view the Shelter's website/donate on line at [www.hershelter.com](http://www.hershelter.com).

## 5th annual Oak St. Chili & Chowder Cookoff

This event, in its 5<sup>th</sup> year, provides an opportunity for Oak Street neighbors to get together for a fun Fall afternoon, while enjoying the variety of chili dishes and chowders prepared for the event. Thanks to the Benson's for hosting the event. Joe and Kathy both retired from the Virginia Beach Public School system this year. They were surprised with the presentation of a retirement cake while Alice Cooper's "School's Out" played !

Our cook off winners were: Best chili – Kim LaCroix, runner up Kurt Neitzke; Best chowder - Brian Cooper, runner up Jenny Demers.

This year, we decided to use the opportunity to support two local animal rescue groups as well. Over \$200 in cash donations and 2 bags of doggy toys and supplies were collected and divided between Rainbow Animal Rescue ([rainbowanimalrescue.net](http://rainbowanimalrescue.net)) and K-9 New Life ([K9newlife.org](http://K9newlife.org)).

# Got Bats??

Maybe you should! Did you know that a single little brown bat can catch more than 1,000 mosquito sized insects in an hour? Bats are not blind, do not become entangled in human hair, and seldom transmit diseases. They are essential in keeping populations of night flying insects in balance.

Bats are exceptionally vulnerable to extinction. They are one of the slowest reproducing mammals for their size, most producing only one young annually. More than 50% of American bat species are endangered, or declining in number sufficiently to cause concern. Loss of bat populations increases demand for chemical pesticides and may jeopardize whole eco-systems.

There are things we can do to help. Susan Elwell is spearheading an effort to put up bat houses in the Cape Story by the Sea area. Please contact her at [susan@beachbutterflies.org](mailto:susan@beachbutterflies.org) for more information.

## HOME SECURITY – DID YOU KNOW?

The Virginia Beach Police Department is seeing an increase in burglaries where large screen televisions in particular are being targeted. With the holidays approaching in the next couple of months, now is the time to take action. The following tips can reduce your chances of being burglarized:

- Make sure exterior doors are solid hardwood or metal-clad with deadbolt locks
- Have a wide-angle peep-hole in the front door and *never* open your door to a stranger
- Make sure glass panels near or around doors are shatter-proof · Make sure all doors, including the garage door, and windows are securely locked when leaving
- Shrubs and bushes should be trimmed back to eliminate hiding spots
- Keep lights on around all entrances of the house at night
- Make sure your house number is clearly displayed and visible from street
- Keep a list of the make, model & serial number of all electronics and valuables photograph or videotape all valuables and keep the list & photos/videos in a secure place
- Call the Police Non-emergency number (311 911 for emergencies (crimes in progress)
- Participate in Neighborhood Watch; if you don't have one in your community, now's the time to start one!

## WHEN GOING ON VACATION

- Set up light timers for interior lights to go on and off inside your home at night; dusk to dawn lights should be installed on exterior light fixtures
- Have a trusted neighbor bring in your newspaper, mail, and miscellaneous flyers and ads every day
- Ask that trusted neighbor if he or she would park their car in your driveway to give the appearance house is still occupied

*Please contact the VBPD Crime Prevention Unit at 385-1757  
for further tips on how to stay safe!*

## **REMEMBER:**

There are only two requirements to Participate in the Neighborhood Watch Program:

1. Be alert to things happening on your block
2. To report ANY suspicious activities!

## **IMPORTANT PHONE NUMBERS:**

The Public Information Office is staffed 24 hours a day, 7 days a week, 365 days a year. Citizens should dial 9-1-1 only when they have an emergency.

### Dial 3-1-1 for:

City Information  
City Services  
City News  
City Events

### Dial 9-1-1 for:

Reporting Accidents  
Reporting Crimes in Progress

### Dial 385-5000 for:

Reporting Suspicious  
People and Events

Please notify the Neighborhood Watch Coordinator, Regina Wallace at 496-6458 or neighborhoodwatch1@cox.net for:

- (1) Any crimes that have occurred so they can be shared with the other residents of Cape Story by the Sea.
- (2) If you would like to be added to the email list,
- (3) If you have changed your email address
