Cape Santa

Santa came early this year for the kids in Cape Story and many Fort Story families! This year marked our ninth annual "Cape Santa" event! Thanks to all who came out. Hot apple cider, freshly grilled hamburgers and hot dogs were generously provided by the Cape Story by the Sea Civic Association, and various goodies were donated by neighbors and friends of the event. As in past years we collected over 50 new toys for the annual Marines Toys for Tots campaign. It could not happen without volunteers Dan Peters, the Weiss family, Civic League President Empsy Munden, Todd Solomon, Matt Angelo, Marlene Patterson, Mark Moore, Ginnie and Tracy Stover, and DJ Bo Bradshaw. Special thanks to Chris Doddy for driving Santa around the neighborhood, and Terri Doddy for coordinating our Holiday Giving program.

Until next year.....

LIGHT IT UP for CAPE STORY

Thank you to ALL who participated and BRIGHTENED Up the Neighborhood.

President's Report

Dear Cape Story by the Sea Residents,

Spring will be in Cape Story soon and our bay will be a fine place to walk and watch the great sunsets. Spring Fling will be in the Park in May and planning for the July 4th parade, brunch and FIREWORKS--- look for some new sparkles and flashes ---is already underway. Cape Story by the Sea has a Facebook account and a Web site (www.capestory.org) to share community information. Cape Story by the Sea Oyster Roast T-shirts (2012) are available for purchase at these events or email emunden@aol.com. The \$10 for the shirts helps to cover the cost of CSBTS events, Newsletters and mailings and they REALLY make a GREAT FASHION STATEMENT.

The "think globally and act locally" worked well for our neighbors on First Landing and a "Plug" is installed in one of the storm drain pipes and is being evaluated in preventing neighborhood flooding.

There was response from many CSBTS residents on a Virginia Senate Bill that resulted in the bill (that would have removed the approval of the wetlands board for some dredging projects) being pulled for more study. Stay politically involved!!

Dogi-Pot bag dispensers have been installed by Virginia Beach Parks & Recreation Department at the Bayberry /Sandalwood Park and on the bike path at Beech and Hatton.

The CSBTS bulletin board in the Park is in need of REPAIR. The Plexiglass has been vandalized and needs replacing, and other improvements would be welcome. A good project looking for a champion, anyone interested?

For Storm Water concerns: Philip Davenport, Interim Director of Public Works, PDavenport@vbgov.com and David Hansen, Assistant City Manager - Dhansen@vbgov.com Mark Johnson, Infrastructure Maintenance Administrator majohnso@vbgov.com and Mike Mundy MMundy@vbgov.com of Public Works would be our city contacts.

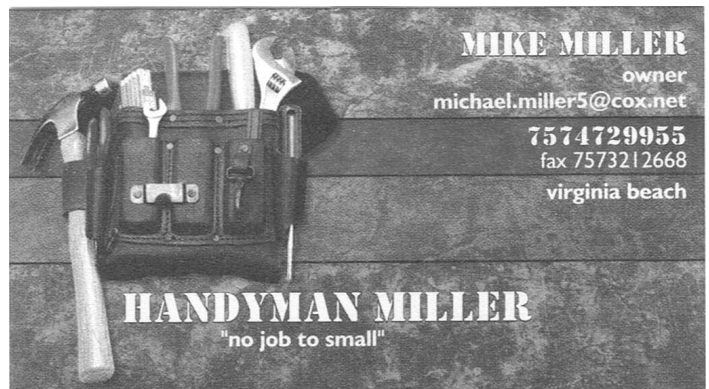

Please CONTINUE to CALL 385-1470 (Public Works) to REPORT all Storm Water Damage. Continue to comment and voice your concerns to Virginia Beach City Council, use ctycncl@vbgov.com to reach ALL city council members and city manager.

Cats Need a Good Home

For Adoption, two lovable kitties, Daisy and Zipper. I will be moving in the next couple of months and am trying to find a home for my two wonderful cats who unfortunately cannot come with me. Daisy, the calico, is 6 and Zipper is 5. They were both rescue kitties from the SPCA and are healthy and totally up to date with their shots. For more information or to visit with them please call Jack at 757-754-9507 (Cell) or 757-496-3823 (Home). Thank You!

Park Beautification/Adoption

If you have noticed the bike path and Shore Drive looking nicer, on January 19 eight of our neighbors met to clean the bike path and Shore Drive. A big thanks goes to Dee Simpson, Frank Daniels, Sean Daniels, Winston Bibee, Dave Brayack, Empsy Munden, Diana Albis, and Shirley Drye.

We'd like to remind those of you who walk dogs, there are doggie bag boxes along the path. There are also trash cans along the path. Please clean up after your dog. Please place it in a trash can.

If your son or daughter needs volunteer hours we will be glad for them to help with our next clean up. Please be on the look out for our next date.

Virginia Senate Bill SB926 – Change to City's Wetlands Board Review

Councilmen Wood and Jones sponsored a City request to State Legislators to eliminate local VB wetland board review of areas being served by the City's new Neighborhood Dredging Program. SDCC, the Chesapeake Bay Foundation and Lynnhaven River Now and thousands of Shore Drive residents banded together to voice their opposition to this request. State Senator Jeff McWaters heard the citizens and dismissed his bill from committee. Read more about this issue at www.sdcc.info

Storm Water Improvements – Large Scale Shore Drive & Neighborhood Project Being Planned

On January 17, 2013, the City's Public Works Department briefed the public on the planning for a massive \$80+ million project for the area between the Lesner Bridge and First Landing State Park. This project will include several large pump stations that will discharge water through pipes into the Chesapeake Bay. Site surveying is being conducted and a final report will be presented to the public in May/June 2013.

Shore Drive Improvements (Lesner Bridge to Great Neck Rd.)

SDCC and the Bayfront Advisory Committee are asking City Engineers to hold a 60% design review meeting so the citizens can review all the changes over the past 15 months. The plans are being updated as a result of the new storm water improvement plans. No date for the public meeting has been schedule, but it will most likely be the late Spring or early Summer 2013. Notices will be posted on www.sdcc.info and emailed to SDCC newsletter members.

Chesapeake Bay Foundation Relocates Trees and Shrubs to Support Center Construction

Volunteers and Chesapeake Bay Foundation Staff are beginning to make some changes to the property at Pleasure House Point. In order to begin preparations for CBF's Brock Environmental Center construction, trees and shrubs are being moved from within the construction area to habitat restoration areas around the site.

The site has a few small live oaks, pines and shrubs that are good candidates for moving by hand. The trees are small and in most cases not located in areas well suited for long-term growth. In most cases the shrubs, commonly referred to as high tide bush, can be trimmed and transplanted with minimal care.

In order to give the larger live oaks the best chance of survival after their move, they were moved using equipment commonly referred to as a tree spade. The piece of equipment allows for preserving as much of the root system of the tree as possible. This is especially important given the

Neighborhood Watch

To report a street light outage or cycling off and on, go to www.vbgov.com and click on "Services" at the top of the screen. Select "Report a problem" and then select "Street Light Outage" which will bring you to a form to complete. You will need the location of the pole (on Main St between 2222 and 2224) and the pole number.

The pole number will be on a metal plate approximately 4" x 4" and will be a combination of numbers and letters such as: N1019 or MM88. You can also call 385-1470.

Please remember to call 911 if you see a crime in action and call 385-5000, option 1, to report crimes after they have occurred or to report any suspicious activity. Also, please call or email the NW Coordinator so crime reports and suspicious activities can be shared with all of our residents.
