Oyster Roast

Another year, another great Oyster Roast! This year's event lived up to its reputation as the "Best Four Hours in November" for the several hundred attendees and dozens of volunteers. Hometown favorite "Plastic Eddie" put on a great show. A new event this year, the Cornhole Tournament, was a big hit. In addition to the hard working oyster cookers and shuckers, busy volunteers served up fresh bar-be-que, grilled burgers, chicken and hot dogs, seafood chowder, hush puppies and a variety of side items. The resurrected Tiki Bar saved the day and kept the refreshments flowing. And special thanks to the owners and employees of **O'Leary's** for providing a great venue and assistance with the food and beverage order and storage.

Our Oyster Roast is the major fund raiser for the Cape Story by the Sea Civic League, and makes other events such as Spring Fling and Cape Santa possible. We are also able to provide assistance to some of our local soldiers, their families and other less fortunate neighbors. We had some truly generous sponsors this year. Major contributors included **Hall Automotive; HAV, Inc. (Home Associates of Virginia); Iron Clad Technology Services; VA Pyro** and **Virginia Delegate Bill Desteph.**

These great local businesses also contributed to the success of our event with fabulous door prizes or much needed services:

Virginia Beach has held several public meetings for citizens' (that would be YOU if you live in Virginia Beach) input on the legislatively mandated Five Year Comprehensive Plan for our City. This is required by law to plan where we see the city heading - think City Center, Lesner Bridge replacement, rural land use, healthcare and education centers---all have been reviewed/discussed in previous 5 year plans. I attended the meeting at the Convention Center on October 30, 2014 and was concerned at the lack of citizen attendance at this public meeting. Employees from most of the City departments were there to share information and to seek our comments and suggestions as residents of Virginia Beach (VB), and we thirty or so attendee citizens did the best we could. Based on the limited attendance, it would appear that VB must be doing OUTSTANDING work for all citizens and everyone is pleased with VB policy and plans.... PLEASE CONSIDER BECOMING MORE ENGAGED IN YOUR CIVIC ASSOCIATION, CITY, STATE and COUNTRY.

Our Neighborhood Watch Captain, Regina Wallace is working with Next Door, a social media style website, to enable users to sign up, report and receive information. Go to <https://capestoryva.nextdoor.com> and sign up if you have not already done so. Our Neighborhood Watch Coordinator and contributors continue to make Cape Story by the Sea one of the BEST City Communities for instant notification of crimes, warnings, and concerns. Recent car break-ins might have been prevented if the new neighbors had information about Neighborhood Watch and Nextdoor. Lessons learned – Always lock your car doors!

CSBTS Street Captains- see list on back page of SkipJack – Please THANK these guys & gals who deliver YOUR newsletters and flyers and are a source of CSBTS info. Let them know of new neighbors and let new neighbors KNOW about Cape Story by the Sea Civic Association. If you live here YOU can be a member. Let all know CAPE STORY BY THE SEA is YOUR civic association and needs you to join, participate and provide an email address.

There are almost 700 residents in Cape Story by the Sea—owners, renters- if you LIVE HERE—SIGN UP AND BECOME A MEMBER of YOUR neighborhood association.

Cape Story by the Sea has a Facebook account www.facebook.com/CapeStoryByTheSea and a Web site (www.capestory.org) to share community information.

Todd Solomon, Shore Drive Community Coalition (SDCC)

Chesapeake Bay Foundation Brock Environmental Center

Ten plus years for hard work by Shore Drive residents and a host of other groups/agencies came to realization on November 14, 2014 with the opening of CBF's Brock Environmental Center. The first "Living Building" in America. The opening of the off-the-grid facility for environmental research and education completed the efforts of residents to save the site on Pleasure House Point from being over developed into 1776 high density residents. The building will also be the home to Lynnhaven River Now and will create the "Go To" place for cleaning up the Bay and Lynnhaven River for our area. To learn more please visit cbf.org/brock

Oak St. Chili & Chowder Cook Off

Oak Street neighbors had a great time on October 8th at the 10th annual Chili & Chowder cook off. Many thanks to our wonderful hosts Kathy Benson and family. Proceeds and donations were contributed for the “Joe Benson Memorial Fund”, and will support charities that were important to our beloved neighbor Joe.

Congratulations to this year’s Chili and Chowder chef champions – Al, Brian, Dave and Randy!

Beach Comprehensive Plan

City of Virginia Beach Comprehensive Plan Review for 2015

On November 13th, the city held the last of five open-house presentations for citizen input regarding the current Comprehensive Plan. The Comprehensive Plan details the city's plans for long-term growth and development. Representatives from numerous city departments were on-hand to review existing plans and gather feedback from attendees.

The Comprehensive Plan is reviewed every five years for suggested updates and amendments. The 2015 review begins now, and the city is looking for citizen feedback as the process continues.

The plan addresses topics such as land use, transportation, preserving/improving neighborhoods, the environment, economic development and parks/open spaces. It targets specific focus- areas, such as Shore Drive corridor plans, environmental framework (e.g. flooding concerns), urban and strategic growth areas such as Hilltop and the Oceanfront, transitional area land-use and a master transportation plan.

In the next few months, the city will identify focus groups and provide workshops to review ideas and provide suggestions prior to the creation of a draft plan. This will be followed by a final draft and public hearings, with the amended plan approved and implemented by City Council by year-end.

The Comprehensive Plan and links to related documents are available online at:

www.vbgov.com/comprehensiveplan

This plan affects all of the citizens of our city, regardless of where you live and work. Don't wait until it's too late to make a change - get informed and get involved now!

- Volunteers will man key intersections on Atlantic Avenue from 31st to 89th Street during the race. Specific assignments and instructions will be issued closer to race week.
- Volunteers will be required from 7am to 3pm, depending on specific location.

SPCA Donations

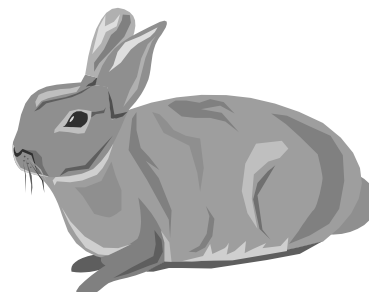

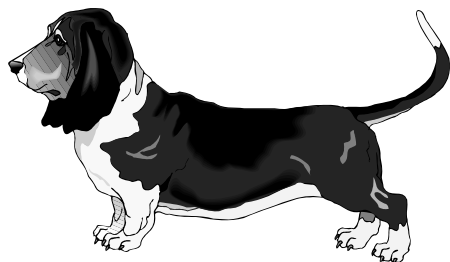

I met a volunteer from the SPCA on Thanksgiving and asked for items that they are constantly in need of. Here are items that we may be throwing away or getting rid of. I will have a container on my front porch (2219 Bayberry Street) for SPCA donations and plan on making routine drop-offs to our local shelter. Anything and everything will help our furry friends with a better life!

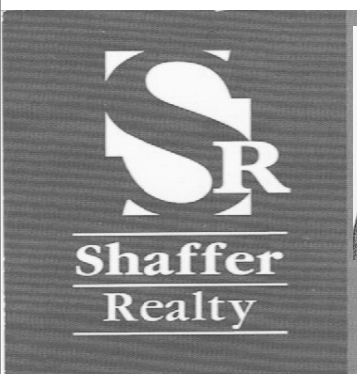

Thanks for all you do for our community!!

Neighborhood Watch

Several car break-ins were reported during the night of October 27, on 4-5 streets in Cape Story. All involved cars were left unlocked. Police were notified, in most incidences, and they are still investigating. It is important that all crimes, no matter how slight, be reported to the police. It may seem at times that nothing is being done but they gather the information received and use it in crime analyst reports. These reports help identify trouble areas of the community and determine who gets patrolled. Remember – don't leave your cars unlocked!!

NEIGHBORHOOD WATCH EMAILS ARE BACK - If anyone would like to receive emails concerning neighborhood crimes, please sign up with neighborhoodwatch1@cox.net. Include your name, address, phone number and email address. This information is never shared.

Please remember to call 911 if you see a crime in action and call 385-5000, option 1, to report crimes after they have occurred or to report any suspicious activity. Also, please call or email the NW Coordinator so crime reports and suspicious activities can be shared with all of our residents.
