A Message From Your Civic League President

Greetings, and Welcome to 2020!

I can't believe another year has passed already- it seems that the holiday season came and went so quickly- and now we're approaching Valentine's Day! I hope these past few months have been pleasant ones for everyone.

As I'm writing this, I'm pleased to report that there isn't a lot of angst at the moment for Cape Story by the Sea in general- that's a good thing! There are some updates to known projects, though, and some new ones planned around the area that we review in our monthly Civic League meetings, which I can report here:

Marriott Delta Hotel: The VB Resort and Conference Center Replacement- anticipated completion is still April 2020.

The Pearl at Marina Shores: This is the name of the high-end apartment complex being developed on the Marina Shores Property- the first reservations/section completion is expected in April 2020.

Related to the apartments- the developer confirmed they have transferred the undeveloped property along the creek between Beech Street and Wake Forest (the property formerly owned by G. Higgs-Marina Shores), to Lynnhaven River Now. This includes deeded access for the residents of Cape Story and Cape Henry Shores.

Westminster Canterbury- the rumors are correct- the company has acquired the condominiums and former Lynnhaven Fish-house property to build an annex that includes a 22-story facility. To put it into perspective, this is approximately another 1/3 of the height of the current buildings. If you have an opinion about this, please do not hesitate to contact the City Council members- reachable via the city website at www.vbgov.com.

Due to complaints about accidents at the intersection of Great Neck Road and River Road, the City is currently reconfiguring the lanes in that area. Watch for lane closures at this time!

The City is presenting a series of public meetings to present a Draft Plan for Responding to Sea Level Rise- the one closest to CSBTS is on February 15- from 10 a.m. to noon at Cox High School.

Come out to our Civic League meetings to hear about other current events, and share your thoughts about issues and concerns pertaining our area. We send a notification about the meeting dates, which occur at 7:30pm the 2nd Monday of every month (other than July and August). We still meet at the Lynnhaven Colony Congregational UCC church, right on W. Great Neck Road at the entrance to Lynnhaven Colony.

On another note- I've noticed that there are a lot of new families with young children who have discovered our little alcove by the Bay, and are making this their home. Those new to the area, please be aware that the Cape Story Civic Association sponsors the special events you're invited to attend throughout the year- Spring Fling at the park, July 4th parade and brunch, Halloween- the Cape Story way, and our fundraiser, the annual Oyster Roast/BBQ. We'd like to expand this to other charitable and fundraising events- and we partner with the Fort Story/JEB for our warriors in-need. If you have any ideas for additional neighborhood gatherings, fund-raisers or community-assistance efforts, please reach out to any of the officers- contact information is included in this Skipjack publication. And if you would like to coordinate any current or future events, please let us know that as well!

This is also the time for selecting officers for the coming year. Active civic league members who are interested in filling the role of the positions- President, 1st and 2nd Vice Presidents, Secretary and Treasurer, please let us know as soon as possible so you can be considered for a future leadership role.

Finally- a personal comment to everyone, based on current events... please remember to take advantage of the time you have now to express your appreciation for friends and love of your family. Accidents, catastrophic weather events and overall human frailties or mental illness can change the lives of those we are close to in an instant. And those left behind must deal with the anguish in the years to follow. Don't let the regret of what you didn't express when you had a chance add to this sorrow.

That's all for now- wishing you all the best in the coming months, and see you in the neighborhood!

Diana

Is this goodbye for Cape Kids ?

Cape Kids penned their mission statement in 2015:

Cape Kids is an organization "Founded by kids, run by kids" and hopes to get kids of all ages involved in our neighborhood by hosting events and volunteering while developing leadership skills.

Over the past 5 years they have hosted movie nights, cleaned the beach, held food drives and started a scholarship for high school seniors. As the founding members move on to high school, is this the end of Cape Kids? **MAYBE NOT!**

We need new adult leadership to take over! You can help kids make a difference in the neighborhood, develop leadership skills, and earn volunteer hours. Let us know and we will help you get started and help you along the way! Cape Kids comes with an endowment fund and a scholarship fund that will continue to pay out to civic minded neighborhood college bound kids. Contact Kim LaCroix at kblacroy@gmail.com or 757-771-5717.

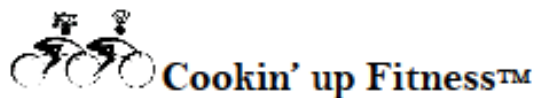

CAPE KIDS WANTS YOU!

Early participants in Cape Kids are now entering high school. We are in search of Cape Kids youth...any age!

If you want to make friends, help out in your neighborhood, and have fun...we are looking for you! Please email Chris and Suzie Simon chrissimon03@hotmail.com or call 757-646-6572.

Cape Kids participated in the Cape Santa in the park event by providing a craft booth.

Shore Drive - Bayfront News

For more information and news pertaining to this area, visit the Shore Drive Community Coalition website at www.WeLoveShoreDrive.com. SDCC meetings are held on the last Monday of the month at 7:30pm in the Ocean Park Fire & Rescue Hall.

22 Story High Rise and 7 Story Memory Center Planned by Westminster-Canterbury

The high rise is slated to be placed on the old Lynnhaven Fish House and Casa del Playa condo sites. The Memory Center is slated to be placed on a parking lot along Starfish Rd.

Upcoming City Projects in the Shore Drive Bayfront Area

Eastern Shore Drive Storm Water Improvements – Construction is set to start Spring 2020 and continue for the next 2-3 years in sections between the Lesner Bridge and the State Park. New pump stations, tidal gates, piping and ditch improvements will be completed that will help protect most of the area from tidal storms as well as heavy rainfall events. See the map for Capital Improvement Project numbers and locations.

eScooters Coming Back to Shore Drive Starting April 1st, but with Restrictions

City Council has adopted some new rules that eScooter companies and riders must follow. These new rules should help with some of the safety concerns that worried many last year. The most impactful changes for operation in our area will be: eScooters will be prohibited from operating on roadways posted with speed limits greater than 25 MPH. So that means no scooters allowed on Shore Drive or North/West Great Neck Roads. Neighborhood side streets, Cape Henry Trail and area sidewalks will be allowed. All eScooters operating along shared paths like the Cape Henry Trail will be limited to maximum speeds of 10 MPH. This will hopefully make it safer when sharing the paths with bikes, walkers, strollers and joggers. eScooters will not be allowed to operate along Shore Drive and to its north.

Irie's Bark Buddies

Meet my pal Captain Blackjack Jr. His friends just call him Cappy. He is a Jack Russell born on October 1, 2012. Cappy's family are Dale, Tracy and Reese Meyer. You may know him from the beach path at Bayberry and Ocean Shore. Cappy often greets beachgoers as the walk the path to the Bay past his backyard fence. If you see him, be sure to say "hello."

Cappy also loves swimming. His best friend is his human dad, Dale. Sometimes Cappy gets into mischief by digging through his human brother Reese's trash can in search of crumbs and candy wrappers.
